## Cash looted after cash in transit heist

Dozens of people rushed to the scene of an armed robbery on the R573 Road near Moteti Village to grab stacks of cash scattered all over the road, following a Cash In Transit (CIT) heist in the evening of Monday 12 April.

The people from local villages, including commuters who were ferried by Putco busses

from Pretoria and motorists who were driving, passing the armed robbery scene, were alleged seen picking up leftovers of R100 and R200 notes, stuffing them in their pockets and bags before leaving.

When the police arrived, the people could not be deterred and continued to collect what

they could from the crime scene before disappearing in the dark. A resident, who could not be named, said he was rudely woken up by a loud bang that was followed by gunshots and massive explosion. "I thought maybe it was an earthquake because the electricity immediately went off when it happened. I heard people screaming and shouting on the streets, calling each other to go and collect money as a cash van was robbed," he said.

He said saw a group of people carrying money that they claimed they took after criminals robbed a cash van. Colonel Brenda Muridili said a group of unknown suspects attacked two cash vans with explosives on Monday around 19:00. "It is reported that the suspects used explosives to gain entry into the armoured vehicles. They fled the scene with an undisclosed amount of money in two white Ford Rangers," said Muridili.

She added that during the incident, three vehicles in the vicinity were involved in an accident after one of them was shot by stray bullets as the suspects were shooting at the armoured vehicles. "This resulted in three occupants of those vehicles sustaining injuries and they were transported to hospital for medical attention," she said. Muridili said no arrests have been made yet and the police are busy with investigations.

"We are appealing to anyone with information that can lead to the arrest of the suspects to call Crime Stop number 086 00 10111 or send tip-offs on MySAPS App," she said.

# Mayor opens Stocking Internal Road

**MinahBahula, the Mayor of Makhuduthamaga Local Municipality (Right), preparing to cut the ribbon to hand-over the 5km road project to the community.**

The Mayor of Makhuduthamaga Local Municipality Cllr MinahBahula, has officially handed over a 5km internal road to the community of Stocking Village in the municipality ward 14. The hand-over, which was attended by local community members, traditional leadership and municipality dignitaries, took place on Friday 9 April. The project will benefit Stocking village and surrounding areas such as Tukak-gomo and Ga-Phasha. The mayor believes that the project will have a developmental impact and also create an economic link to the neighbouring towns such as Jane Furse and Steelpoort. During the hand-over, the benefiting communities were delighted to finally have a road that will create a safer access and proper internal day to day travel. The construction of the road had also brought massive economic opportunities, with over 40 work opportunities created and most of the materials used were procured locally.

# Moutse Bulk Water Scheme in completion stage

**The burden of fetching dirty water from streams and wells will be over in Moutse as the district municipality promise that the Moutse Bulk Water Scheme will soon be completed.**

According to Sekhukhune District Municipality, a large portion of the Moutse Bulk Water Regional Scheme is completed.

The overdue water project has since started in 2015 and set to be completed after three years. However, the project was left half done by the main contractor. The completion of the project will come as a relief as the majority of Moutse residents are relying on nearby streams and wells to fetch drinking water. "The acknowledgement we are making is that total completion of this mega project is long overdue. However, since work had resumed, after a longstanding contractual litigation, there is marked progress on the project," said the Executive Mayor of Sekhukhune District Municipality Cllr Stanley Ramaila.

The executive mayor indicated that currently, the district municipality is finalizing the upgrading of the Groblersdal Water Treatment Works, from where the Moutse Bulk Water project will source potable water. "At 95 percent, what is remaining at the upgraded side of the Groblersdal Water Treatment Works is to complete the outstanding work and start to test the project as we work toward commissioning it," he said. Ramaila indicated that installation of the bulk pipeline that connects Bloempoot, Lusaka, Mpheleng and Matlala Lehwelere is now 100 percent complete. "The bulk water pipeline from Matlala Lehwelere to Matlala Ramoshebo is at 88 percent. The pipeline that connects Matlala Ramoshebo and Matlereken and the neighbouring Rathoke is at 84 percent, while the one that connects from there to Spitspunt stands at 87 percent," detailed Ramaila.

He added that the district municipality is also paying attention to the bulk pipeline that is already on the ground between Groblersdal Water Treatment Works to Bloempoot. "Our assessment has shown us that the bulk line would require refurbishment before the commissioning of the project. In spite of the good work that has already been done, the delays on the Moutse Bulk Water project are a cause for concern," he said.

Ramaila urged all stakeholders to work together for the benefit of all the people of Moutse.

# Doctors' go-slow hit hard on patients

Patients, who seek special medical attention at Philadelphia Hospital in Dennilton and Groblersdal Hospital are turned away as the doctors are on a go-slow.

The two health facilities have since joined the provincial picketing which has started on 31 March across Limpopo health facilities. The doctors are complaining against the health department imposed Circular 43 of 2020 and Circular 4 of 2021, which will force the implementation of standardized rosters. Other staff members in the hospitals did not yet join the go-slow, however, there are rumours that they will follow soon if Limpopo Health Department MEC Phophi Ramathuba is not considering their demands.

Doctors in affected hospitals are attending emergencies only and other patients, who seems

not to be in serious conditions, yet in need to see doctors, are turned away. In a joint statement, released by organized labour unions in Limpopo, the standardized roster will ignore the institutional circumstances and will take away the flexibility of doctors. One of the patients, Julia Madisa, who was turned away at Philadelphia Hospital on Wednesday 7 April, told the paper that she was visiting the institution since 1 April to see doctors without any success. "I had been to the hospital on 28 March and was told to come and see a doctor on 1 April. I was told the doctors were not working since then, no one is helping," she said. She said she visits the hospital everyday hoping that one day a doctor will see her. Neil Shikwambana, Limpopo Department of Health Spokesperson, said they are disappointed by the behaviour of some doctors in the province's hospitals, who are continuing to neglect patients despite an agreement reached with all healthcare unions in the province. "Earlier, unions threatened to embark on a strike action due to their dissatisfaction about certain circulars, particularly the once talking about shift rosters. Following an agreement with the unions, the department has since suspended all circulars indefinitely. However, there are some

doctors who continue to neglect patients in

the name of being on strike," detailed Shikwambana. He added that recently, some of the doctors demanded to meet the MEC to submit the memorandum.

"To the department's surprise, the issues contained in their memorandum are the same issues that the department has reached an agreement

with the unions about, including SAMATU which represented doctors," he said.

Shikwambana said the department views this behaviour by the doctors as rogue and irresponsible. "The department would like to remind them of their ethical responsibilities towards their patients," he said.

## Teenage girl goes missing

The police in Sekhukhune have launched a search operation to locate a missing 16-year-old girl, Lindiwe Abigail Sekele from Dihlabaneng Village.

According to the police report, the victim has disappeared on Tuesday 16 March 2021.

Limpopo Provincial Police Spokesperson, Sergeant Mienkie Ramakgoakgoa, said according to the victim's mother, Abigail has left home to an unidentified place and did not return. "She then reported the matter to the police after receiving a frightening SMS from the teenager indicating that she had been kidnapped.

The mother called her back, but the phone was off," said Ramakgoakgoa. She added that other relatives were notified and their attempt to locate the missing teenager bore no fruits. "The victim's aunt also called her on Saturday, 03 April 2021 and she managed to answer but the alleged kidnappers took the phone before she could disclose her location," she said. Ramakgoakgoa said during investigations, police conducted search operations at relatives, friends and surrounding areas with no success." Anyone with information that can assist the police to find this missing person may contact Detective Sergeant Moses Tlolanane on 082 671 1605 or crime stop on 08600 10111, the nearest

## Mayor promises service delivery acceleration during SODA

The Executive Mayor of Sekhukhune District Municipality Cllr Keamotseng Stanley Ramaila, said they have successfully repositioned the municipality, into becoming an institution that operates like a well-oiled machine, amid of the Covid-19 pandemic outbreak. Ramaila was speaking during the State of the District Address (SODA), held recently at Leboeng Village. “The corona virus outbreak has also put the spotlight on the backlog, when it comes to the provision of water services in our district. It has magnified weaknesses in the way we provided services to our people, and in the process has compelled us to review our workings. Some of our people, correctly complain about lack of water in their communities,” said Ramaila. He added that with recent appointments of the municipal manager and director for infrastructure and water services, the district municipality is now operating with stability at the strategic level of senior management. “Our service delivery objectives are clear, we uncompromisingly appoint competent and skilled personnel as we work toward building a capable, ethical and developmental state,” he said. Ramaila outlined that the district municipality has prioritized to fast-track sustainable provision of basic services, water supply in main. “Our resolve to fulfill

the Mayoral Priorities we have set during the inauguration of this fourth council in 2016, remains. We said we will unlock the blockages in mega water projects such as Moutse Bulk Water Supply, Mooi-hoek Scheme, Nkadameng Scheme, De Hoop Scheme, Ga-Malekane Bulk pipeline, to name but a few,” Ramaila informed. Furthermore, the executive mayor hinted that the municipality will stick to its vow to ensure sound financial management, improve the liquidity ratio, enhance revenue collection and strive towards obtaining clean audit opinion. “We will remodel and capacitate Sekhukhune Development Agency (SDA) to fulfil its mandate as a vehicle for economic development and growth of our district. We shall confront the toxic mix of corruption, fraud and maladministration,” he said. In terms of resolving financial strain and poverty faced by Sekhukhune residents following the outbreak of Covid-19, Ramaila said a conducive labour and entrepreneurship skill condition will be utilized for the people of the district municipality. “We have assigned the Sekhukhune Development Agency, an entity of the district municipality, to develop an economic recovery strategy that will harness social compact by unlocking investment opportunities in various economic sectors through public-private partnerships,” he said.

**The Executive Mayor of Sekhukhune District Municipality, Cllr Stanley Ramaila, during SODA event at Leboeng Village.**

Ramaila said the comprehensive action plan of the agency will specifically address economic realities and unemployment problems in the district, working in partnership with local municipalities, sector departments and private sector. He said SDA, working together with other sector departments such as Department of Minerals Resources, Roads Agency Limpopo, the district municipality among others, spearheaded efforts that managed to unlock R 80 million private investment.

### Mayor gifts resident a wheelchair on Good Friday

**The Mayor of Makhuduthamaga Local Municipality, Cllr Minah Bahula (Left), with wheelchair beneficiary, Adam Tolo, on Good Friday.**

The Mayor of Makhuduthamaga Local Municipality Cllr Minah Bhula, continued to demonstrate her commitment to offer care and support to people living with disabilities. On Good Friday, 2 April, Bahula spent the day with Adam Tolo at Ga-Mogashoa Village where she donated a wheelchair and food for the underprivileged residents. The destitute Tolo, from the municipality’s Ward 13, was tracked down after his plea circulated on social media in the past few days. “It was disheartening to see and learn of his struggling situation. I was very disturbed. The government has given us a mandate and always expects us to be compassionate and provide support and care for the less fortunate,” said Bahula. The mayor added that the novel coronavirus is continuing to disadvantage people living with disabilities, economically and otherwise.”Therefore it is our responsibility as government to intervene and mitigate where we can during these difficult circumstances,” added Bahula. She urged communities and private stakeholders to assist and provide support for people who are also in similar situations. A visibly teary Tolo has thanked the support from his family, the mayor and the Makhuduthamaga Local Municipality. “My life will never be the same again. It will change for the better. May God bless the mayor,” he said.

## New house for destitute family after a rock crushed their house

**The Mayor of Makhuduthamaga Local Municipality Cllr MinahBahula (Third from left), with municipal officials during the handing-over of the house at Stocking Village.**

The Mayor of Makhuduthamaga Local Municipality Cllr Minah Bahula, has handed-over a new house to the destitute Mokwena family at Stocking Village. This is after a tragic incident, occurred three years ago and left the Mokwena family of seven in Ward 14 of Makhuduthamaga Local Municipality without shelter and striking poverty circumstances. The family’s residential house is located below a mountainous valley on which one day in 2018, just before the sunset, a huge rock unexpectedly rolled from the highest tip of the mountain and crushed directly into Mokwena household. The unfortunate incident left one family member dead underneath the rock and the entire house was dismantled. When the tragedy struck in 2018, then 19 year-old deceased daughter of Mokwena family had just finished her matric in 2017, and at the time of death she was a first year university student. The cause of the eroded rock from the top of the mountain remains unknown to residents, but locals suspect natural earth vibrations could have caused this unusual incident. Few days after the incident, the family received intervention from the local ward councillor, who immediately sourced two temporary shelters from the municipality. After three years of hardships without proper shelter, the family can now sleep and leave under improved conditions. This ultimate transformation for the family is made possible after a road project was allocated to the Stocking community by the local government in 2020. Bahula also handed-over a house to the Maripane family, who were also identified to be beneficiaries by the local municipality. The donor of this houses is said to be a local resident from Jane Furse. The good Samaritan who donated the two houses to Stocking destitute families of Maripane and Mokwena, was revealed as Bohlabatsatsi Group by Makhuduthamaga mayor at the official hand-over of the houses. The two donated five room houses are fully furnished, comprises of 2 bedrooms, dining room, kitchen and a toilet. A house beneficiary, Mme Mokwena spoke to MatomeMaupi on Thobela FM current affairs show on Friday evening about living conditions then versus now. Mokwena said she wished other families in need of help could receive this kindness too. “It was a horrible day and night for me and my children. Today is tears of joy brought by the good Samaritan Bohlabatsatsi Group and the Makhuduthamaga Mayor,” expressed Mokwena.

## Manhunt for suspects who robbed Moutse Mall Post Office

The police in Dennilton are investigating a case of business robbery after unknown suspects robbed Moutse Mall Post Office. The post office is said to be closed since the robbery took place. According to the police report, three male suspects entered the post office premises on Wednesday 7 April in possession of firearms before getting away with an undisclosed amount of money. “They allegedly instructed the staff to lie down, one suspect wearing navy blue overall instructed the employees to open the safe and demanded money while the other two suspects allegedly robbed the money from the tills,” said Brigadier Motlafela Mojapelo, Limpopo Provincial Police Spokesperson. Mojapelo said the suspects managed to steal an undisclosed amount of money from the safe and from the tills before they fled the scene. A manhunt was activated. “The vehicle used as getaway form the crime scene is unknown at this stage,” he said. According to eye witnesses, several gun shots were heard during the robbery, however, Mojapelo said no shots were fired during the incident. “No arrests were effected and a manhunt was launched on the suspects involved in the robbery. The police investigations are

continuing,” Mojapelo said. Mojapelo appeals to anyone with information to contact the nearest police station or call the crime stop number 0860010111. He said the public may also make use of MySAPSApp to report the crime.

## Four dead in horrific accident

A fatal accident has claimed the lives of four people at Dennilton on Saturday 3 April.

The head on collision accident involved a VW Polo and a Mahindra on the D856 Road near Philadelphia Hospital. Limpopo Department of Transport and Community Safety Spokesperson, Mike Maringa said one passenger sustained serious injuries while four people died instantly. "Drivers of both vehicles and two passengers were certified dead on the scene. One passenger sustained serious injuries and was rushed to the hospital," he said.

Maringa said reckless driving will not be ruled out as a possible cause of the accident. More than 100 people have been killed across the country during Easter weekend, with the highest number of fatalities reported in Limpopo with 27 people, followed by KwaZulu Natal with 26 reported deaths.

The lowest number of fatalities were reported in Northern Cape and Free State, where only two people died on the roads in the provinces.

## Sekhukhune Golf Development launched

**Mpho Mosakogave an stunning performance in the Junior Top 4 category.**

Desnold Caddy wise Golf Club from Pretoria has officially launched the Sekhukhune Golf Development at Groblersdal Golf course on Sunday 11 April. The activity was hosted with a sole mandate of empowering surrounding villages with golf playing skills and raise awareness on opportunities available within the sporting fraternity including caddy work, event organization, golf sport coaching, graphic designing and horticulture. Sporting event organizer, Kwatetsi Segafa, said the launch started with a

rehearsal match on Saturday 10 April to ensure that the course, fairways, bunkers and the ground was ready to host the big event the following day. A nine-hole match was played during the rehearsal matches that guaranteed the readiness of the course for its smooth continuation the following day. Sunday matches were played by under-18 Junior Jungles from Pretoria who were locking horns with local golfers from Groblersdal. Locals, Tumelo Mosia who was paired with Mpho Mosako and Neo Phahlane gave a stunning performance and won the Junior Top 4. On the senior side, Lucky Malesoena displayed bravery on the Sekhukhune side by leading the pack while Dakie Mothibe went on tie with Rimbo Mampana to salvage Tshwane reputation on Top four. The first prize went to Lucky Malesoene with 5 handicap with a cross of 73 and nett of 68. The second prize went to Rimbo Mampana with 7 handicap and 81 cross and a nett of 74. The third prize scooped by Darki Mothibe, handicap 15 cross 91 and 74 nett. Nearest to the pin hole no 4 and 13 was taken by Thabiso Thamaga while number 8 and 17 went to Lucky Malesoene. The longest drive of the day was also taken by Lucky Malesoene. Mosepedi Molokomme, from the Pretoria golfers, promised to reinforce and come back to dethrone Sekhukhune champions in May 2021.

## Sekhukhune United share spoils with Royal AM

Sekhukhune United FC played a goalless draw with Durban based side, Royal AM FC at Chatsworth Stadium at eThekweni on Wednesday 7 April. In the early minutes of the match, Babina Noko pressured and were awarded a free kick in a promising position. Their winger, Shai, took a shot that deflected on the goalkeeper's hands who conceded a corner kick that United made nothing out of it. Towards the 10th minute, both teams attacked looking to create scoring chances but were denied by defenders. Babina Noko got another chance by Sibanyoni in the 20th minute and denied scoring by the goalie who made a good save. United continued on hammering Royal AM door, applying pressure searching for their first crucial goal but could not find the back of the net as their shots went off target. A dominant display was shown by Babina Noko towards the end of the first half, forcing two saves by Royal AM's outstanding goalkeeper who denied them scoring. In the second half Royal AM gave it all out and started dominating with hard tackles, shots and challenges on the ball that resulted in an unfortunate opportunity that hit the cross bars and got back into action. Towards the 70th minute, Babina Noko made substitutions to seal their defense as visitors could not show remorse and attacked constantly. During the 3 of the referee's additional time, both teams were playing defensively to secure a single point instead of allowing mistakes that will cost them a game in last minute. The teams played 0-0, placing Sekhukhune United on top of the Glad Africa Championship League with 35 points in 21 games played. Royal AM is sitting in the fifth position with 32 points in 20 matches. During a post-match interview, united head coach, Macdonald Makhubedu, said the match was good for both teams. "They had their chances also but we had open chances more than them to be able to score goals," he said. Makhubedu said they are happy to take a point in the game as it will add to their race towards the league title. "I'm happy for my boys and their effort in today's match and the rest we will see on the next game," he said.
