## Bahula elected new SDM Executive Mayor

The council of Sekhukhune District Municipality (SDM), has elected Cllr Minah Bahula as the new executive mayor of the district municipality.

Bahula, who was mayor of Makhuduthamaga Local Municipality (MLM), was elected during a special council sitting held on Saturday 18 November at Moses Mabotha Civic Hall, in Ga-Nchabeleng Village, Fetakgomo Tubatse Municipality (FTLM). In delivering her maiden speech, Bahula committed on the acceleration of services by uprooting corruptive elements that hinder quality services. "We must combat corruption whenever it rears its ugly head. Good governance is our collective responsibility. Our people expect everyone to be accountable, responsive and transparent in the execution of services. Our people deserve better". She said she accepts this mammoth responsibility fully aware of myriad of challenges that lie ahead in the district, especially the muddy reports of malfeasance and corruption that continue to haunt the district. The new executive mayor also reminded her colleagues in council of the District Development Model's Presidential Imbizo held recently where residents bemoaned lack of services especially the scarcity and lack of water. She said the District Development Model approach is seen as a game changer by improving coherence and impact of service delivery in communities. It seeks to also align and integrate plans and budgets as one government. "Our people are running out of patience. The immediate task is to assess failures of the already established water schemes and ailing infrastructure in the district as well as resuscitating water committees in all the wards. It can't be business as usual. We are going to turn things around," she said. Much to the extreme delight and applause of the executive mayor's

presentation was when she announced plans to provide all traditional authorities with boreholes to mitigate on the issue of the provision of water in the district. Bahula also highlighted the long outstanding issue on the relocation of government and municipal offices to Jane Furse also took centre stage in her delivery. This she dared her peers to speedily come up with tangible, workable and practical action plan to resolve it. Other matters of emphasis by Bahula was the call to collaboratively clamp down on illegal spaza shops that continue to ravage

communities through trading of fake and expired goods. She said this is a matter to be attended to by closely working with law enforcement authorities, other relevant sectors and by tightening of municipal by-laws across the district.

The African National Congress (ANC) in Sekhukhune Region has congratulated Bahula who is also the Acting Regional Chairperson, the current Deputy Provincial Chairperson of the ANC Womens' League in Limpopo and as the newly elected executive mayor.

# Eight nabbed for voter registration intimidation

The police in Ga-Masemola have arrested eight suspects, aged between 27 and 43, in connection with intimidation during voter registration at Ga-Masemola Tribal Office. According to Brigadier Hlulani Mashaba, Limpopo Provincial Police Spokesperson, the suspects were arrested after allegedly blocking and intimidating other community members who were going into the registration point placed at Masemola Tribal. "It was also reported that suspects threatened party agents in the process.

The incident took place at around 10:00 in the morning. The police were alerted about the incident and quickly responded. On arrival, a group of men and women were identified by the ward councillor. A case of intimidation was opened and the suspects, three females and five males, were arrested," he said. Mashaba said the suspects appeared before the Nebo Magistrate's Court on Monday 20 November 2023 and were all released on free bail. "Their case was postponed to 19

January 2024 for further police investigations. The police investigations are still continuing," he said. Furthermore, Mashaba said the Limpopo Police, led by Provincial Commissioner, Lieutenant General Thembi Hadebe, worked diligently over the voter registration weekend, 18 to 19 November 2023, by ensuring extensive deployments of members at various registration points across the province, working closely with the Independent Electoral Commission (IEC), other government departments and local leadership. "We commend our officers for ensuring a peaceful registration process in the province. Ours was to ensure a safe and secure environment for eligible community members who wanted to register to vote. An integrated approach ensured smooth sharing of information and gathering intelligence on the ground, thus ensuring a safe and efficient registration weekend," said Lieutenant General Hadebe.

## New Makhuduthamaga Mayor inaugurated

The Makhuduthamaga Local Municipality newly elected Mayor, Cllr Merah Mahlase, has committed to the acceleration of services to communities. Mahlase was elected during a Special Council Sitting held on Monday 20 November at the municipal chamber in Jane Furse. This follows a declaration of vacancy in the committee that was created as a result of the redeployment of former Mayor of Makhuduthamaga Hon Cllr Minah Bahula to join the District Council by her political party the ANC, and also her recent election as the Executive Mayor of Sekhukhune during their Special Meeting convened on Friday 17 November at Moses Mabotha Civil Hall, Ga-Nkwana. The Special Council Sitting also resolved amicably, to immediately realign and reconfigure its Executive Committee. Mayor Mahlase, Hunadi, affectionately known, who was accompanied by her family, is no stranger to positions of leadership and responsibilities. She was until recently, the deputy head of Infrastructure and has previously served the municipality and the community in various portfolios amongst her other developmental credentials, such as being PR Councillor from 2011 to 2016. She became the ward councillor from 2016 to 2021, the position that led her to head the Economic Development Portfolio Committee in the same administration term. "We would also like to appreciate the communities, more emphasis on the youth who have gone out in numbers to register to vote in the next elections, and entrench the work and gains as well as take active interest of our young democracy. I am humbled by the opportunity to lead and contribute towards the total development of our residents," she said. As per the tradition, the sitting also allowed the public to witness this historic occasion and embrace public participation who were joined by the Sekhukhune District Municipality Speaker, Cllr Kgwediebotse Chego, the ruling party's Regional Secretary Tala Mathope alongside the new Executive Mayor Cllr Bahula.

## Limpopo crime stats continue to increase

The Democratic Alliance (DA) in Limpopo said the alarming crime rate in the province is of a great concern. This is after the Limpopo crime statistics for the second quarter of 2023/2024, indicate yet another predicted increase in the reported serious crimes. Katlego Phala, DA Provincial Spokesperson on Transport and Community Safety, said: "Every day 281 victims reported murder, assault, sexual offences, theft and robbery incidents." Phala said concerning year on year increases, the province reported 310 attempted murders, an increase by 19.2%, 1153 sexual offences that increase by 1.7%, common assault increased to 2627 cases, commercial crime increased to 1733, an increase of 16.9%. "As crimes detected as a result of police action increased by 30.2%, it is clear that police visibility alone is not going to curb the scourge of serious crime. She indicated that Limpopo has been experiencing an annual increase in crime for years now and the ANC executive would like to downplay and normalise this scourge by lip service and empty promises. "The DA does not accept this and will continue to fight for a capable and well-resourced police force to keep our communities safe," she said.

## Limpopo 2022 Census results officially released

The Premier of Limpopo, Stanley Mathabatha, has expressed his satisfaction with the positive outcomes of the 2022 Census Report, which was officially handed to him by Statistician General of South Africa, Risenga Maluleke, at the Mowaneng Building in Polokwane on Friday 10 November. The report provides a statistical overview of the province and will be used for planning to address the challenges faced by citizens. During the release of the report, Maluleke highlighted the significant support received from the province, emphasising the collaborative effort by the Limpopo Provincial Government and traditional leaders that contributed to reaching 97% of dwellings in Limpopo. Notably, the province has seen an increase in the number of households from about 1.4 million in 2011 to about 1.8 million in 2022. The Census 2022 report indicates a significant increase in the total population of Limpopo by 1.2 million from 5.5 million in 2011 to 6.7 million in 2022, with nearly six out of ten children aged 0-4 years having access to early childhood development programmes. However, the province showed negative net-migration, losing about 114,000 persons between the 2011 and 2022 censuses, primarily due to out-migration. Additionally, the report indicates a decrease in traditional and informal housing, reflecting positive developments in housing infrastructure. However, Maluleke also raised concerns about the loss of young people to Gauteng after completing their matric, emphasising the need for economic competitiveness to retain the province's youth and ensure continued growth and development. Mathabatha echoed the sentiment of progress, saying: "The report is good news as we have come a long way as a province since the dawn of democracy. Numbers don't lie, a lot has been done to improve the livelihoods of our people." The premier emphasised the evident economic development across all districts in Limpopo and the increased access to basic services such as flushing toilets, water, electricity, education, infrastructure, and healthcare. Mathabatha also reflected on the province's transformation over the past 29 years, highlighting the significant improvements in housing infrastructure and overall development. He acknowledged the challenges that lie ahead but emphasised the positive direction in which the province is heading. "The Limpopo Provincial Government is committed to utilising the Census 2022 results for effective planning and to address the challenges faced by citizens. The report will serve as a valuable tool for guiding future development initiatives and ensuring the continued progress and prosperity of the province," he said.

## Mohlotsi FC gain SAFA Hollywoodbets Football League

Mohlotsi United FC has been officially promoted to the SAFA Hollywoodbets Sekhukhune Football League. The team gained entry in the regional league after defeating Ratanang FC 3-2 in a match that played on Sunday 19 November at Mooihoek Sports Ground outside Marble Hall. Mohlotsi United FC is a brainchild of Aubrey "Turn around" Boshielo who is a transport service provider and a former soccer player. Following the promotion, the team will be coached by Bobby Matlala and will be assisted by Jethro Mogwane and Jeffrey Hlabirwa Walker as Marketing Manager of the club. The team will be using Mohlotsi Sports Ground and Mooihoek Sports Ground as their home grounds for their upcoming league matches. Boshielo, who is the founder and chairperson of the club, said he is delighted to see his team progressing and gaining promotion to the biggest football league in Sekhukhune. "I would like to take this opportunity to thank God and my wife for supporting me through the struggle that led the league to be promoted to the regional league, not forgetting the hard work put by players and our supporters. It was not easy but I believe it was worth it at the end," he said. Boshielo emphasized that they want to put the same effort or more for the team to be promoted to the ABC Motsepe League, the third tier of South African professional football. "We are pleading with sponsors to help us create a platform that will see our aspiring soccer players reach their dream. I believe soccer is the only sporting activity rural communities have access to with minimal resources and it is also a platform to take the kids away from criminal and immoral activities," explained Boshielo. Team head coach Bobby Matlala said he believes that the game between Ratanang and his team gave him a chance test the new players ahead of the starting of the new football season. "I am happy to have more players who have been exposed to the league and are looking forward to be part of the team that will be promoted at the end of this season. I would like to thank Mr Boshielo for his effort and making sure the team is promoted," he said. Mohlotsi United FC will play their first SAFA Hollywoodbets Football League match on 26 November 2023 at Mohlotsi United FC Sports Grounds.
