Tafelkop duo receives hefty sentence for murder

The Limpopo High Court in Polokwane has on Monday 19 August 2024 handed down hefty sentences to Kgomotso Pitsi Mmaphaka (38) and Lethope Donald Tshehla (33), following a murder committed at Tafelkop Village in April 2022, where the duo was found guilty of robbing and fatally shooting a foreign national businessman. The pair was sentenced to life imprisonment for murder, eight years imprisonment on the count of conspiracy to commit robbery, 15 years imprisonment on the count of robbery with aggravating circumstances, five years imprisonment on the count of unlawful possession of firearm and two years imprisonment on the count of unlawful possession of ammunition. The court further ordered that the sentence in all counts should run concurrently with a count of murder. National Prosecuting Authority Spokesperson in Limpopo, Mashudu Malabi-Dzhanghi, said during the trial, the accused persons pleaded not guilty and the state-led evidence of the witnesses before the conviction and sentencing. "The court heard that the deceased, Unitiello Tessema

Gebreyesus, was working as a shopkeeper in Tafelkop on 13 April 2022. The deceased and his colleague were closing the shop for the day, and as he was seated in his vehicle waiting for his colleague, two unknown males approached them at gunpoint. Each of the two assailants went for each of the victims, while his colleague struggled to free himself and escaped. The deceased person was shot and robbed of his vehicle, a VW Jetta, Samsung cellphone and an unknown amount of cash," explained Malabi-Dzhanghi. The case docket was assigned to Detective Sergeant Raymond Phago of Motetema Detective Unit for further investigations, and the two accused were traced and arrested for murder, robbery with aggravating circumstances, unlawful possession of firearms, and ammunition and conspiracy to commit robbery. Malabi-Dzhanghi added that in aggravation of sentence, State Advocate Elelwani Mufamadi submitted that this was a senseless crime, and there was no evidence that was presented to the court that there were prospects of the accused being rehabilitated. "Mufamadi pointed out that a message should be sent by the court to the community that offenders such as the accused will not be dealt with lightly. She concluded by submitting that life imprisonment will deter other would-be offenders not to committing such offences. Therefore, the court should not deviate from the prescribed minimum sentence," explained Malabi-Dzhanghi. During the court proceedings, Court Judge, Maake Francis Kganyago, remarked that the aggravating circumstances outweigh the mitigating factors, the personal circumstances of the accused are those that were referred to in Malgas as flimsy reasons. He further remarked that there are no substantial and

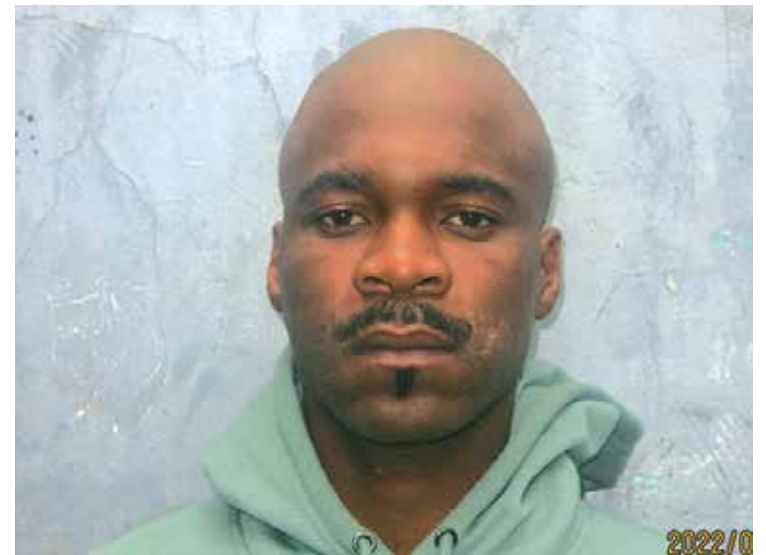

compelling circumstances to deviate from the prescribed minimum sentence. He concluded by saying that the accused did not show any remorse and the court cannot predict they would ask for forgiveness in the future from the family members of the deceased. NPA Director of Public Prosecutions (DDP), Advocate Ivy Thenga, has welcomed the sentence, adding that she hopes that justice will continue being served to all the victims and other would-be offenders will refrain from committing such crimes.

The DPP further commended the good work done by advocate Mufamadi and investigating officer Phago. Provincial Commissioner of the Police in Limpopo, Lieutenant General Thembi Hadebe, has also welcomed the hefty sentences that were meted out by the Limpopo Division of the High Court. "We commend the arresting team and investigating officer for the sterling work which led to successful prosecution and subsequent sentence," concluded Lieutenant General Hadebe.

Destitute families receive fully furnished houses

MEC for Cooperative Governance, Human Settlement and Traditional Affairs (CoGHSTA), Basikopo Makamu, has on Thursday 22 August, officially handed-over two fully furnished houses, a wheelchair and blankets to the impoverished families from Waalkraal and Kgobokwane Villages in Moutse respectively. The Makgata and Moepya families, from Elias Motsoaledi Local Municipality (EMLM) Ward 3 and Ward 4, were identified during a door-to-door campaign in the area for the 2024 national and provincial elections. Makamu was accompanied by Mayor of EMLM, Cllr David Tladi, EMLM Council Speaker Cllr Junior Thethe, Cllr Samaria Mashilo who was representing the Executive Mayor of Sekhukhune District Municipality (SDM), SDM Council Speaker Cllr David Kgwediyebotse Chego and representatives from other key stakeholders. MEC Basikopo Makamu said during the hand-over that through community work, activism and volunteerism they were able to identify these two families as needing immediate intervention. "I am happy that today we are here to hand over fully furnished houses for these two families. They can now have peaceful nights without worrying if the houses will fall in their sleep," he said. The MEC expressed his gratitude to all stakeholders involved in the construction of these houses, stating: "As the ANC-led government, we

thank you for your civic duty in building sustainable infrastructure and giving back to the most vulnerable among us. This is what the forefathers of our movement and government envisioned when they drafted the Freedom Charter." Makamu also emphasized the department's gratitude and commitment for the restoration of dignity to these two families. "Housing remains a cornerstone of human dignity and a key indicator of a society's progress. Our commitment to breaking new ground in integrated human settlements has led to significant strides in providing housing for all, particularly for vulnerable groups such as Military Veterans," said Makamu. One of the beneficiaries, Mme Hilda Moepya, said she was happy to receive a newly built house from the MEC and the municipality. Moepya is a mother of three unemployed children and living with a disability. The family has been living in a small dilapidated two-bedroom house which was also leaking, prior to the intervention by government to build them a new house. "I don't know how to explain how I feel. It is more than a dream come true for me. We could not do this on our own. Thanks for giving us shelter and at the same time, restoring our dignity as human beings," said Moepya after receiving keys to her brand-new house. Mayor Tladi said during the hand-over that the initiative will play an important part in changing lives of needy residents in EMLM, particularly women who are vulnerable group affected by poverty, unemployment and inequality. "We are restoring Mme Anikie Makgata and Mme Hilda Moepya's dignity by handing over the keys because we know that enhancing women's lives benefits families, communities, and our society as a whole," said Tladi.

"During the robbery, Musoyi viciously attacked a male victim, whom he accused of betrayal, and proceeded to assault him with an axe. The criminals then looted the shop, stealing both money and soft drinks before fleeing the scene," he said. Ledwaba added that in a separate incident occurred on 1 January 2023, Musoyi managed to escape from a police vehicle at Moutse Mall in Dennilton while en route to Witbank Correctional Services. "This escape occurred alongside two other suspects, who were subsequently re-arrested," explained Ledwaba. Furthermore, Ledwaba said on 2 February 2024, Musoyi engaged in a violent altercation at his ex-girlfriend's residence, resulting in him shooting his ex-girlfriend's brother in the mouth before he fled the scene with a television set. Wildfire at Ben Viljoen Highschool

Ben Viljoen would like to thank Mr Leon Mthethwa and Mr Alfred Makola of Groblersdal's Fire Brigade who came to our aid with the wildfire at the school Sunday afternoon. Ben Viljoen would also like to thank them for teaching our hostel boys how the fire engine and all the accessories work, as well as allowing the boys to dress up in the fire brigade's clothes.

Ben Viljoen would also like to thank Gunmar and their assistance with their water truck at the wildfire on Loskop Gymnasium's side.

Mr Leon Mthethwa, Caleb Louw and Mr Alfred Makola

2 Ben Viljoen learners have reached SA's

Congratulations to Vanessa da Silva and Omphile Tshikane who have been included in the Limpopo Cross Country Team. They will take part in the South African Cross Country Championships in Vanderbijlpark on 7 September.

Water Reservoir will become a piece of ART

Moshopiadi Nchabeleng, one of our art learners, took part in a competition hosted by Thaba Eco Hotel/Park to help transform their water reservoir as part of World Environmental Day. Moshopiadi is well known for her amazing artworks and was involved during our Open Day, drawing caricatures of anybody willing to sit for under 2 minutes at the art table.

The competition launched by Thaba Eco Hotel/Park forms part of their campaign to work with the youth to educate and encourage using art to promote appreciation for the environment, biodiversity and the importance of protecting wildlife and ecosystems.

Ms Jean Marie Heyns shows off her caricature drawn by Moshopiadi

With great joy, we announce that Moshopiadi won this competition and will be joining Thaba Eco Hotel/Park for three days during September to paint their water reservoir!

Ratanang on the edge of lifting the EPMLM LFA title

Ephraim Mogale Local Municipality (EPMLM) Local Football Association (LFA) outfit, Ratanang FC, have managed to collect 6 points over the weekend by beating both Liverpool FC and Rocks FC in the EPMLM LFA League matches. The Mooihoek based side is currently on the summit of EPMLM LFA League with 68 points from 27 outings, leading position two team with 9 points. On Saturday 24 August Ratanang played an away match when they locked horns with Liverpool FC from Letebejane Village. The game started off on a high tempo as both teams attacked each other in search for an early goal but they could not convert their chances. Ratanang took the lead right in half hour mark through Sibusiso “Jeepe” Monakedi who was given a chance to turn inside the box and released a thunderbolt strike which managed to beat keeper at near post. The match went to the break with the visitors leading 1-0. The host came gun blazing in the second half and eventually their pressure paid off when they managed to get an equalizer after a good finisher from close range to make the score 1-1. After the equalizer both sides kept on going pound for pound as each team searched to grab a lead. The game looked set to be the tie but Amo “Mr long range” Modipa came with his trademark finish when he smashed first time volley from 25 yards into the top corner to break the hearts of Liverpool fans, giving Ratanang a 2-1 lead towards the end of the match that ended 2-1 to the visitors. On Sunday 25 August Ratanang played another away with promotion hopefuls, Rocks FC from Mmakgatle Village. The visitors grabbed an early lead in second minute with a courtesy of Kamogelo “Skecho” Maelane who made a finisher from a close range after being set up inside the box through a counter attack with teammates. Ratanang extended their lead in the second half when Skecho managed to beat an offside trap before finishing calmly after sending the goalie to the wrong way to score his brace. Rocks pulled one goal back with long range from outside the box which managed to beat goalkeeper in the bottom corner. After the goal the home side had few chances to equalize but they were not clinical in their shots. Ratanang netted a third goal when Comfort “Man Corf” Mokolo scored from outside the box after finding a top corner to secure all 3 points for his side. Ratanang remains in the pole position and are three matches away from being crowned EPMLM LFA League champions to get promotion to Hollywoodbets Sekhukhune Regional Football League.
