

SDM given 14 days to fix Marble Hall water and sanitation woes

Raw waste sewage potentially flowing into river and spills flooding residential properties in Marble Hall.

MARBLE HALL

The Democratic Alliance (DA) in Ephraim Mogale Local Municipality (EPMLM) has given the Sekhukhune District Municipality (SDM) Executive Mayor, Cllr Minah Bahula and her administration a 14 days ultimatum to address the escalating water and sanitation crisis in Marble Hall.

The issues, which were raised by DA plaguing Marble Hall include 29 hectares of farmland which they say it is contaminated by raw sewage due to infrastructure collapse, residents hospitalised with E.coli infections from sewage contamination, complete sewage treatment facility breakdown with raw waste potentially flowing into river systems, non-functional hydrants due to inadequate water pressure, a compromise emergency services and persistent sewage spills flooding residential properties with no adequate response.

According to the party, failure to address these problems will prompt the DA to request constitutional interventions, citing the municipality's inability to deliver on its mandate.

DA Councillor in EPMLM, Flip Jacobs, expressed his outrage over the situation, stating: "The SDM Executive Mayor and her team are living lavish lifestyles, completely disconnected from the desperate plight of residents. Marble Hall deserves better."

According to Jacobs, the crisis has been ongoing for some time, with residents facing life-threatening conditions due to the municipality's neglect.

"Despite multiple formal requests, documented proposals, and direct engagements from the DA, the municipality has failed to act, leaving residents exposed to severe public health risks," Jacobs said.

Jacobs further criticised the SDM Executive Mayor and her team for ignoring formal requests, breaking commitments, and showing disrespect for rates and taxpayers.

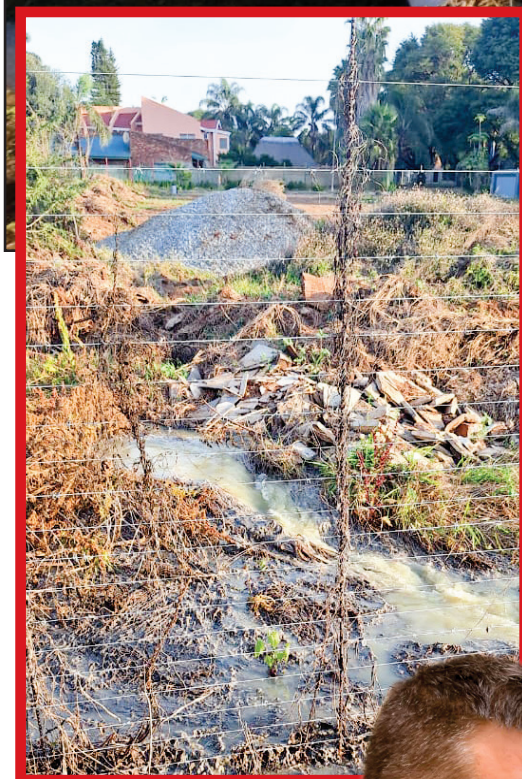

"The DA will not allow this injustice to continue. We will request constitutional interventions if the municipality fails to address this crisis within the given timeframe," Jacobs warned.

Smalle stressed that the DA has called on the SDM Executive Mayor Bahula, and her administration to take immediate action to address the crisis

and communicate with residents.

"The party's ultimatum expires in 14 days, after which further action will be taken. We will not stand idly by while residents suffer. Marble Hall deserves better, and we will fight for their rights," Jacobs concluded.

When approached for a response, Lemson Moropjane, SDM Spokesperson, said: "Regarding the recent sewage spillage in our area, the Municipality would like to clarify that a sewer blockage was reported and addressed some weeks ago. Although the pipeline was unblocked, some sewage did overflow into nearby farmland. Fortunately, we have not received any reports of infections. Moropjane indicated that the district municipality appointed a contractor to refurbish the treatment works, which will help alleviate the issue. However, he highlighted that the majority of the witnessed spillage is attributed to poor designs of storm-water controls linked to the sewage system. "We are currently engaging with local municipalities to improve storm-water management," he said. Moropjane informed that another contributing factor to the overload on the system is the conversion of residential properties into rental properties, which exceeds the designed capacity. "This is a matter that requires local municipalities to properly manage property development," he said.

DA Councillor in EPMLM, Flip Jacobs, shortly before submitting the party's complaints at SDM offices in Groblersdal.

Maila introduce contractors to erect access roads in Praktiseer and Ga- Mokgotho

BURGERSFORT

Four contractors to erect access roads in Praktiseer (Shushumela) and Ga-Mokgotho were introduced to the communities last week by the Fetakgomo Tubatse Local Municipality's mayor Eddie Maila.

On July 3, he handed over two contractors to erect an 8 kilometre access road at Shushumela.

He continued to introduce another two contractors for a 6 kilometre access road at Ga-Mokgotho village, (Ward 16) on July 4.

"We are sick and tired about individuals collapsing service delivery projects.

Gone are the days we will allow people to disrupt services delivery projects in our communities. I put my neck on the block, I will be in these projects day and night to ensure no one disrupts them."

He said the Fetakgomo Tubatse municipality won't return money to Treasury under his watch.

"Our municipality was one of those that returned money back to Department of Treasury, without providing services, this is no longer happening, we spend 100% of money allocated to us on provision of services. In fact, we will get

additional allocation."

Maila assured residents that all the projects will be completed within a 12 months period. "We don't do bermuda roads, all these projects will be completed. They will benefit economic activities such as schools, internal transport and apartments within our communities."

He urged community members to support all municipal projects. Maila said all locals must benefit during the erecting of the access roads. He urged females to also seize this opportunities and to benefit as sub contractors. He said his office will ensure women are involved in all municipal projects. When introducing the contractors, Maila reminded them about their objective in the village. He warned them that the municipality is expecting quality projects that must be implemented within the stipulated time. "Contractors must ensure that the locals benefit in terms of employment and business opportunities through correct procedures." Maila applauded the tribal leaders (Moshate) for working closely with the municipality in order to provide services. "We cannot build a city, with bad roads, let's support all the projects to make Fetakgomo Tubatse a better place." The access roads projects at both Praktiseer and Ga -Mokgotho were scheduled to commence on July 7. The Praktiseer project will cost R 80 million while the Ga Mokgotho projects will cost R60 million. They will cost a combined total of R140 million.

Former Limpopo Premier Mathabatha undergoes traditional initiation rites at 68

GA-MPHAHLELE

In a surprising move, former Limpopo Premier and currently Deputy Minister of Land Reform and Rural Development, Stan Mathabatha, has joined hundreds of young men in the province to undergo traditional rites at an initiation school in the age of 68.

Mathabatha, who hails from Motetema Township outside Groblersdal in Elias Motsoaledi Local Municipality (EMLM), joined an initiation school in pursuit of traditional rites of passage into manhood.

According to sources,

Mathabatha is among nearly 500 initiates at Tjiane Village in Ga-Mphahlele outside Lebowakgomo.

A source confirmed that Mathabatha arrived at the initiation school accompanied by a cadre of elders, including a head-man from the Bakgaga Baga Mphahlele Villages, who will provide guidance throughout the process.

Mathabatha's participation in the traditional initiation rites marks a symbolic gesture, reaffirming cultural identity and tradition.

As a veteran of the ANC's military wing, Umkhonto We

Sizwe, Mathabatha joined the liberation struggle in 1977 and served as Premier of Limpopo from 2013 until June 2024, when he was succeeded by Dr Phophi Ramathuba.

Mathabatha follows in the footsteps of other ANC leaders who underwent initiation at older ages, including Fikile Mbalula, who went through initiation at 37 in Phillipi, Cape Town in 2008.

His participation marks a symbolic gesture, reaffirming cultural identity and tradition, even in high political ranks.

Former Limpopo Premier and current Deputy Minister of Land Reform and Rural Development, Stan Mathabatha, has joined hundreds of young men to undergo a passage to manhood at an initiation school in Tjiane Village, Ga-Mphahlele.

EPMLM appoints new Communications Manager

Life Nape was appointed as the new Communications Manager in EPMLM.

SAPS pleads for help in finding missing man

ROOSSENEKAL

The police appeal to members of the public for assistance in locating a missing person, Lucky Tau Mahlokoana (32), originally from Bolobedu. Mahlokoana was last seen on Wednesday, June 19, when he reportedly clocked off duty at approximately 12:00 from his workplace at Bonamanzi Game Lodge. "He informed his colleagues that he was travelling home to Bolobedu and was expected to return to work on June 25," said Col Malesela Ledwaba, spokesperson of the Limpopo SAPS. Concerns were raised when Mahlokoana failed to report for duty as scheduled. According to Ledwaba, a co-worker and close friend, upon returning from leave, enquired about his whereabouts and discovered that he had never arrived home and had not been seen or heard from since leaving work. A missing person case has been

Lucky Tau Mahlokoana (32) is missing. opened at Roossenekal SAPS, and the police are actively investigating the matter and following all available leads. The SAPS is urging anyone with information about Mahlokoana's whereabouts to come forward. Anyone with information is asked to contact Capt Mpusheng Makuwa on 082 565 7136, call Crime Stop on 08600 10111, use the My SAPS App, or report it at their nearest police station.

MARBLE HALL

The Ephraim Mogale Local Municipality (EPMLM) has announced the appointment Mr Life Nape as their new Communications Manager, with the strategic appointment comes as the municipality continues to strengthen its communication and public relations efforts.

Nape brings a wealth of experience to his new role, having previously served as a Communications Learner at Makhuduthamaga Local Municipality (MLM).

He further honed his skills in the Office of the Chief Whip, where among others, he developed a deep understanding of municipal communication and public relations.

As the municipality's official spokesperson, Nape will play a critical role in ensuring that the public is informed about the municipality's activities, projects, and initiatives.

Nape's appointment is effective immediately, and he is expected to hit the ground running, working closely

with various stakeholders to ensure that the municipality's communication efforts are enhanced.

The Sekhukhune Communicators Forum, through Lemson Moropjane, Head of Communications in the Office of the Executive Mayor, Sekhukhune District Municipality (SDM), extended its congratulations to Nape on his appointment.

"We extend our heartfelt congratulations and wish him great success in his new role," he said.

NOTIFICATION ABOUT THE DECISION FOR GRANTING AN ENVIRONMENTAL AUTHORIZATION FOR A PROSPECTING RIGHT

REF NO: LP30/5/1/1/2/15798PR

Notice:
Notice is hereby given in terms of Section 4(2) of the National Environmental Management Act: Environmental Impact Assessment Regulation 362 enacted on 7 April 2017 as amended.

Tirhani Resources (Pty) Ltd has been granted with an Environmental Authorization for a prospecting right for **Iron Ore, Vanadium Ore, Phosphate Ore, Chrome Ore, and Platinum Group Metals (PGM)**, and related Infrastructural activities on **Portion 1, 11, 12, 15, 23, and 42** of the farm **Elandsdrift 8 JS** situated at **Ephraim Mogale Local Municipality in the Sekhukhune District**.

Project Description:
The proposed development entails the Prospecting right for **Iron Ore, Vanadium Ore, Phosphate Ore, Chrome Ore, and Platinum Group Metals (PGM)**, and related Infrastructural activities on **Portion 1, 11, 12, 15, 23, and 42** of the farm **Elandsdrift 8 JS** situated at **Ephraim Mogale Local Municipality in the Sekhukhune District**. **Activity 20 which include the Drilling of 16 Boreholes at 50M.**

Your attention is drawn to the fact that an appeal may be lodge against the decision in terms of the National Appeal Regulations, if such appeal is available in the circumstances of the decision. Limpopo VMMC Programme sees strong uptake

LIMPOPO
According to the Limpopo Department of Health, the Voluntary Medical Male Circumcision (VMMC) programme has made significant progress since its launch on 20 June 2025, with approximately 7 000 males undergone safe medical circumcision through the programme, with over 700 being adolescents and young adults aged 15 years and above.

The VMMC programme is voluntary, safe, and free of charge, with all procedures performed by trained medical professionals in line with national health guidelines.

Limpopo Health Department Spokesperson, Percy Moagi, said the programme has seen strong uptake across various districts, with Vhembe leading the way with 1 608 procedures conducted, followed closely by Waterberg with 1 220, with Mopani and Sekhukhune also made notable progress, with just above a thousand procedures each, while Capricorn is just below 1 000.

“The top three performing sites are Dilokong District Hospital in Sekhukhune, Tshilidzini

Regional Hospital in Vhembe, and Thabaleshoba Community Health Center in Waterberg,” informed Moagi.

The programme is open to males aged 10 years and above, and ongoing community outreach efforts aim to ensure that even more eligible individuals can access these essential services.

“Over a hundred sites are open across the province, and interested members of the public are encouraged to register. For more information, members of the public can enquire at their nearest clinic or facility,” continued Moagi.

He said the programme is set to encouraging a momentum in the province’s efforts to strengthen HIV prevention and promote men’s health.

“Notably, more than 700 of those circumcised are 15 years and above, signalling increased participation from adolescents and young adults,” Moagi said.

Limpopo MEC for Health, Dieketseng Mashego, has expressed satisfaction with the programme’s progress, commending the commitment of healthcare workers and community mobilisers who are

MEC for Health in Limpopo, Dieketseng Mashego, says she is pleased with progress made since the launch of the province-wide VMMC.

driving awareness and access to VMMC services.

“We are pleased with the progress made so far. The number of men coming forward for circumcision demonstrates growing awareness and acceptance of the health benefits associated with this important programme. We urge parents, guardians, and male adults who wish to take part in the programme to enquire and register at the facility closest to them,” said MEC Mashego.

Burgersfort Regional Court hands-down hefty sentences for rapists

Seale Clement Malapane was sentenced to eight years in prison in connection with the rape of a 26-year-old woman at Bothashoek in Burgersfort.

DRIEKOP
The Provincial Commissioner of the Police in Limpopo, Lieutenant General Thembi Hadebe, has welcomed the sentencing of two rapists to life imprisonment and eight years imprisonment, respectively, by the Burgersfort Regional Court.

This is after the Burgersfort Regional Court has on Wednesday 2 July 2025 handed down three life terms against a 37-year-old man, for raping a 9-year-old boy repeatedly between 6 and 8 November 2020, at Driekop outside Burgersfort.

According to Brigadier Hlulani Mashaba, Limpopo Provincial Police Spokesperson, the accused, who cannot be named to protect the identity of the victim and also a neighbour of the victim, used a cellphone to lure the boy to his house, where he molested and threatened him.

“During the trial, the court heard that the accused sent the boy to the local spaza shop to buy some cigarettes. Upon his returned he called him into his house to play music to him since he was an artist. When the boy was at the accused’s house, he molested him and thereafter threatened to kill the victim. He then gave the boy a cellphone instructing him to set a reminder so that he could come to his home daily when the alarm goes on. The minor child complied, and he was raped for three consecutive days,” explained Mashaba.

He said the victim decided to report the incident to his mother, and a case of rape was registered against the accused.

“His bail was successfully opposed until he was convicted

and ultimately sentenced to three life imprisonment for 3 counts of rape. The court ordered that two of the life imprisonment terms would run concurrently with the first term,” Mashaba said.

Mashaba added that in a separate incident, the Burgersfort Regional Court has sentenced the accused, Seale Clement Malapane, 37-years of age, to eight years imprisonment for raping a 26-year-old woman on 4 September 2022 at Burgersfort.

“The female victim hitchhiked a white VW Polo driven by the accused, traveling to Bothashoek in Burgersfort Policing area. While on the way, the driver suddenly deviated to a road going to Lydenburg direction. He stopped in the bushes, threatened the victim, and raped her, thereafter left her in the bushes. She managed to get to the nearest police station at Burgersfort, where she opened a case,” informed Mashaba.

He said both cases were assigned to Sergeant Letsatsi Mojalefa of Burgersfort Family Violence, Child Protection, and Sexual Offenses Unit whose meticulous investigations contributed to the commendable results.

Welcoming the sentences, Lieutenant General Hadebe said: “We appreciate the meticulous investigations displayed by our investigating officer, which resulted in the commendable results of three life imprisonment and eight years against these rapists. We cannot rub-off the ordeal, but we want to believe that justice has been served to the victims and their families.”

GENERAL NOTICE

**PROPOSED CONSENT-USE IN TERMS OF SECTION 74 OF THE ELIAS MOTSOLEDI LOCAL MUNICIPALITY
SPLUM BY-LAW, 2016

Manhunt underway after firearms stolen at a farm in Burgersfort

BURGERSFORT

The Police in Burgersfort have launched a massive manhunt for five suspects involved in a brazen farm robbery in the Burgersfort area after firearms and ammunition were stolen during a farm robbery on Sunday 6 July 2025, at approximately 09:30.

Brigadier Hlulani Mashaba, Limpopo Provincial Police Spokesperson, said according to reports, a farm employee was overpowered by the suspects, who stole four firearms, multiple rounds of ammunition, and other valuables.

"The suspects, believed to be three foreign nationals and two South African citizens, used

the victim's vehicle to flee the scene. The vehicle was later found abandoned and damaged on the property, while the stolen safe was recovered nearby, forcefully opened to gain access to its contents," explained Mashaba.

Mashaba said the police are working tirelessly to track down the suspects and bring them to justice, while urging the community to remain vigilant and report any suspicious activity to the authorities.

"The police are urging members of the public who may have any information that can assist in the investigation to come forward. They may contact Lieutenant Colonel Evans

Makgopa on 082 855 0117, or the Crime Stop Number on 08600 10111. Alternatively, information can be reported using the MySAPS App or at the nearest police station," he said.

Limpopo Provincial Police Commissioner, Lieutenant General Thembi Hadebe, has ordered the immediate mobilisation of a dedicated task team to track down the suspects and recover the stolen firearms.

"The illegal possession of firearms by criminals remains a major threat to public safety. We will not rest until these dangerous individuals are apprehended and the stolen weapons recovered," said Hadebe.

Limpopo Provincial Police Commissioner, Lieutenant General Thembi Hadebe, has ordered a dedicated task team to investigate and track down suspects involved in the robbery of firearms and ammunition at a farm in Burgersfort

DA calls for regular water testing in Limpopo schools

The DA in Limpopo is urging the Education Department to regularly conduct water testing in schools following a shocking contamination discovery made by WaterCAN in a recent School Water Quality Testing Project.

LIMPOPO

The Democratic Alliance (DA) in Limpopo is urging the province's Education MEC, Mavhungu Lerule-Ramakhanya, to implement regular water testing in schools to ensure the safety of drinking water for learners. According to the party, this call comes after a recent School Water Quality Testing Project by WaterCAN, which revealed alarming statistics about the safety of water in South African schools.

The project found that 43% of water samples tested were unsafe for human consumption, with 23% of taps, 73% of water tanks, and 66% of river sources showing contamination. According to Jacques Smalle, DA Limpopo Spokesperson on Education, the department should collaborate with municipalities to ensure the water infrastructure is well maintained and learners consistently receive clean water.

"Limpopo has experienced issues with water quality in schools, including a bilharzia

outbreak last year that affected many learners. We are concerned because the recent key findings of the School Water Quality Testing Project revealed that 43% of water samples tested were unsafe for human consumption, 23% of taps showed contamination, 73% of water tanks showed bacterial contamination and 66% of river sources showed bacterial contamination," he said.

Smalle emphasized that regular monitoring of water quality is crucial to creating a safe learning environment where learners can thrive academically.

"The DA will continue to monitor progress on this issue, committed to ensuring learners in Limpopo receive their education in a safe and dignified environment. The DA's call for regular water testing in Limpopo schools aims to prioritize the health and well-being of learners, ensuring they have access to clean drinking water and a safe learning environment," he said.

Lindokuhle Ngwane
Metallurgy Graduate

This isn't a story, it's a journey.

I'm Lindokuhle Ngwane, a 23-year-old trainee engineer specialising in metallurgy at Glencore Thorncliffe Mine in Steelpoort.

In high school, I dreamed of a career in medicine, never imagining that would change. But when my school introduced me to Glencore's engineering scholarships, my interest in chemical engineering was piqued. I was fortunate to receive a Glencore sponsorship, opening doors to a new future.

Five years of study, delayed by the pandemic, brought challenges and triumphs. Glencore's support, covering everything from tuition to a laptop allowance, encouraged me to persevere. As part of Glencore's graduate programme, I underwent in-service training and, with mentorship, became a metallurgical engineer in training. Each day, I navigate projects, reports, and fieldwork, driven by a desire to excel.

As I journey towards becoming a metallurgist, I'm grateful for the support from my family, community, and colleagues. I am determined to unlock my full potential.

Progress. Together.

PUBLIC NOTICE

RECRUITMENT SCAM ALERT

The Municipality has taken note of the unfortunate recent scam in relation to recently advertised General Worker positions, where it is purported that an employee of the Municipality is calling applicants and advising them that they will be appointed in exchange for R 5 000.00, and that interviews are not necessarily applicable.

The applicable number in use that has to our attention is 079 954 9917.

We therefore distance ourselves from this, for we do not communicate to our job seekers in that manner. As a public institution, we will never request money from any jobseeker in exchange of employment.

We are urging our communities not to fall victim to such scams through noting the following:

1. The Municipality urges job seekers to respond to job advertisements that are on our official logo that have been placed on the National Newspaper(s), Official Notice Boards, Official Social Media Pages, and the Municipal Website.

2. The Municipality will only communicate to prospective candidates through our official telephone number (013 986 9100) or email with our domain name and a clear signature at the bottom detailing the name of the person, position title and contact details of the sender.

The Municipality prides itself in ensuring full compliance with applicable legislation when it comes to matters related to recruitment, or any other matter thereof.

PS: To date, this is the sixth recruitment scam that we have noted, and it might not be the last. Let us continue to exercise extreme vigilance and report such incidents to the South African Police Service.

Our Anti-Fraud and Anti-Corruption Hotline is 0800 014 816.

Babina Noko bids farewell to two more players

SEKHUKHUNE

After announcing the departure of eight players in the past few days, Sekhukhune United FC has confirmed that they will be parting ways with two more players, Katlego Mkhabela and Pogiso Mahlangu, who both have made significant contributions to the team's success. Katlego Mkhabela, who joined the team on 8 July 2022, has announced his departure from Babina Noko. During his time with the team, Mkhabela demonstrated his commitment and adaptability on the pitch, providing defensive strength and unwavering dedication.

The Babina Noko family expressed their appreciation for Katlego's hard work and contribution to the team, wishing him all the best in his future endeavours. Pogiso Mahlangu, who has been with the team since 1 July 2021, is also leaving Babina Noko. During his tenure, Mahlangu played a crucial role in the team's success, including

Katlego Mkhabela has announced he is leaving Sekhukhune United FC after joining the team on 8 July 2022 and contributed immensely to its success.

a Nedbank Cup final appearance and a continental stage berth.

In a statement, Babina Noko family thanked Pogiso for his service, fight, and loyalty, wishing him all the best for the future.

The Babina Noko family expressed their gratitude and respect for both players, acknowledging their dedication and hard work.

"The team wishes Mkhabela and Mahlangu nothing but success in their future endeavours, thanking them for their contributions to the Babina Noko family," the club said.

KAMMELRIVIER

The Kameelrivier Stadium outside Siyabuswa has played host to the highly anticipated Top 4 Legends Soccer Tournament, presented by the Zwecus Foundation.

The tournament, which was played on Saturday 5 July 2025, brought together four legendary teams, including Kaizer Chiefs Legends FC, Orlando Pirates Legends FC, Mamelodi Sundowns Legends FC and Kwandebele Legends FC, comprising iconic former players and football greats, for an unforgettable display of skill, passion, and sportsmanship.

According to organisers, the

tournament was a celebration of the legacy of the beautiful game, providing a platform for football legends to revive their glory days on the pitch.

During the sporting event, fans were treated to thrilling matches, nostalgic moments, and a vibrant community spirit, making the event an unforgettable experience.

The matches were played in a friendly yet competitive atmosphere, with each team giving their all to emerge victorious. The players' passion and dedication to the sport were evident in every tackle, goal, and celebration.

The tournament's format

allowed for a round-robin stage, where each team played the others in a bid to make it to the final.

The top two teams then faced off in the final match, with Orlando Pirates Legends emerging victorious against Mamelodi Sundowns Legends, showcasing their skill and teamwork.

The Pirates' outstanding performance earned them a well-deserved 3-0 victory over Mamelodi Sundowns Legends.

Medals were awarded to players in recognition of their hard work, teamwork, and sportsmanship throughout the tournament.
